

# YOUR RELOCATION PACKAGE

Cross-Border L5-L6

## Getting Started with Your Move

Amazon provides you with flexibility to choose the relocation support that best fits your needs. This document outlines your options and how to customize your relocation benefits. Your relocation will be supported by Amazon's Relocation Provider, Graebel. After accepting your offer, you'll receive:

- Login credentials for your personalized relocation portal within 2 business days
- Contact information for your dedicated relocation consultant
- Support in reviewing and selecting your benefits

Your Graebel consultant will guide you through the available options and help you make the best choices for your move.

## Your Choice of Support

You have 310 points to use for your relocation. There are two ways to use your relocation points:

### **Option 1: Cash Payment**

- Convert all points to a one-time cash payment of \$9610 USD. Payment is tax-assisted .
- You manage your own move. No relocation services provided.

### **Option 2: Relocation Services**

- Use points to select from a menu of relocation services. See below for examples of available services.
- You may choose a mix of services *and* cash. All taxable benefits are tax-assisted.

## Relocation Services

See below for a sampling of available relocation services. The full list of services will be provided to you by Graebel. Your Graebel relocation consultant will help you make your selection decisions. You can use your points to choose any combination of services you like.

| Service           | Point Cost | Descriptions                                           |
|-------------------|------------|--------------------------------------------------------|
| Home Finding Trip | 35         | Three-day trip to explore housing and neighborhoods in |

|                                             |      |                                                                                                                                                                             |
|---------------------------------------------|------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                                             |      | your new location, with travel, accommodation, and transportation included.                                                                                                 |
| Temporary Housing<br>- 30 days              | 70   | Furnished accommodations ideal for stays of 30 days or longer. You may select this item multiple times for longer stays – for example, 45 days would cost 105 points.       |
| Full-service<br>Household Goods<br>Shipment | 190* | Professional packing, transport, and delivery of your household goods. Includes up to 30 days of storage, if needed. <i>*130 points for moves between the US and Canada</i> |
| Final Trip Airfare                          | 15   | Coordinated air travel to your destination for you and your household members on your final moving trip.                                                                    |
| Rental Car – 15 days                        | 15   | A rental car can be arranged through the designated travel provider. Vehicle size options depend on your family size.                                                       |
| Cash                                        | n/a  | You may convert any number of points to a cash payment:<br>1 Point = \$31 USD.                                                                                              |

*Note: Point values shown in this table do not reflect the actual market cost of each service*

### **Important Guidelines**

- You have 12 months from your job start date to utilize your relocation benefits. However, you must physically begin working from your new worksite location by your official start or transfer date as indicated in your offer letter. Failure to relocate within an agreed/fixed period of time could lead to repayment of relocation costs, incorrect payroll tax withholding, loss of certain employee benefits, and disciplinary actions including termination of employment.
- Relocation assistance covers you and the members of your current household who are moving with you to your new location.
- Amazon offers one relocation benefits package per household. If both you and your spouse/ domestic partner are both offered relocation benefits packages by Amazon, you may only utilize one.
- The points allocated in your offer are based on data available at time of offer and are not subject to adjustment.
- To help with your move, Amazon provides tax assistance (sometimes called a "gross-up") for taxable relocation benefits. This is our way of contributing to the potential tax costs associated with your relocation. The rate used for this assistance is calculated based on legislative requirements, but everyone's tax situation is unique. The amount might not exactly match your

personal tax obligation – it could be more or less. Think of it as a helpful contribution. To make the most of this benefit and understand how it fits into your overall financial picture, we highly recommend reviewing with a tax professional or financial advisor. They can provide personalized guidance based on your specific circumstances.

- **If you separate from Amazon for any reason prior to 24 months following your start date, you will be responsible for repaying Amazon for any relocation expenses paid to you or on your behalf, on a prorated basis (not applicable to moves to, from, or within California). Any unused points will be forfeited upon separation. If you do not physically relocate after receiving benefits, you will be required to repay Amazon.**

### **For individuals relocating across an international border**

#### **Tax briefing**

If you are relocating across an international border, Amazon's external tax partner will assist with your Amazon-related and individual income tax matters. Our partner will assign either a digital or in-person briefing from your origin and destination locations to discuss the tax implications for both countries of your international relocation. This tax briefing will cover a) the operation of Amazon's relocation policies, b) special tax rules applicable to international transfers, including cross-border taxation of your Restricted Stock Units (RSUs), and c) any personal tax concerns. The tax briefing does not cover tax planning services.

Amazon disclaims all guarantees and assurances regarding the information shared with you in this briefing. Amazon will not be responsible for any losses or damages - whether direct, indirect, special, punitive, incidental, or consequential - that may result from the information provided during the briefing session.

You are responsible for providing timely, accurate and truthful information to Amazon's external tax partner to assist with your tax preparation in keeping with the highest legal standards.

#### **Tax Return Preparation**

If you are relocating across an international border, Amazon's external tax partner will provide tax return preparation and filing services for your origin and destination countries. This benefit does not apply to relocations within the same country. You will receive the service for the year you start payroll in the destination location. New hires are provided 1 year of tax support, and internal transfers are provided 2 years of support to address trailing liability from RSUs granted in their origin location. The service is based on your requirement to file taxes for receiving Amazon relocation benefits or employment income. You will not receive tax preparation services based on your requirement to file taxes due to personal circumstances such as your visa, citizenship, or residency status.

If you leave or are terminated from Amazon after receiving the tax questionnaire, Amazon will continue to file your return but stop support for upcoming cycles. If you leave or are terminated before the tax process begins, tax preparation services will not be provided.

If you choose not to utilize Amazon's external partners' tax services, you will be required to sign a waiver acknowledging your personal responsibility for all tax filings. Regardless of your choice, you will be financially responsible for all taxes resulting from your move, including any increases, and you may not seek indemnification or additional compensation from Amazon or any of its subsidiary companies. This includes taxes on your Amazon income, personal income, and equity-based income. It is your responsibility to ensure all required tax returns are filed on time in all relevant jurisdictions.
